The ability to connect and print from multiple devices is key for today's worker, and VersaLink devices meet the challenge with Apple® AirPrint®, Google Cloud Print™, Xerox® Print Service Plug-in for Android™, Near Field Communication (NFC) Tap-to-Pair and Mopria®, plus optional Wi-Fi and Wi-Fi Direct

All-new 5-inch color touchscreen user interface that sets a higher standard for customization, personalization and versatility

- **Mobile-Ready:** Equipped with Apple AirPrint, Google CloudPrint, Xerox Service Plug-in for Android, NFC Tap to Pair, and Mopria, VersaLink users can connect and print from a range of devices.
- **Cloud-Enabled:** Access to information-sharing capabilities including Google Drive, Microsoft, OneDrive, and Dropbox make it easy to work in the office or on the go.
- **Customizable and easy to use:** The tablet-like five-inch touch screen interface can be personalized for different work environments or users. It offers built-in apps on the [Xerox App Gallery](#) that can help organizations create workflows and expand functionality to meet their business needs.
- **Secure:** The VersaLink C7000 offers a holistic approach to print security including Secure Print and card authentication to control access and secure points of vulnerability.
